 Descripción: RECENTLY REDUCED with MOTIVATED SELLERS. A Magnificent Mansion built with love and care. Rich history lives within the palatial estate ... the Rockefeller family even dined in the villa's main dining room table, which was imported from North America direct to Las Palmas 18. Featuring 8 grandiose bedrooms each with private balconies and en-suite bathrooms, a total of 11 bathrooms, wrap around pool, numerous water lakes and ponds and a 1,000-bottle wine cellar. Built and decorated with love and exceptional taste, there is also a private gym with Pilates table and massage areas,

extra-large family room with wireless technology throughout, 2 satellite dishes, complete lower window electric shutters throughout villa and Wi-Fi (all bedrooms and family rooms have A/C). The estate also boasts two large kitchens with granite counter tops, Subzero and Viking appliances, and professional everything. Other features include 3 separate living rooms, a large dining room for 22, an outdoor gazebo with BBQ grill and a Caja China. This Caribbean golf view mansion has 1,958 SM (21,076 SF) of construction and is situated on a 4,720 SM (50,806 SF) double home site overlooking the La Romana Country Club Golf Course. There is even an overly well thought of staff area with 3 bathrooms, a professional, hotel style laundry area, walk-in freezers and coolers, a 20 x 12 storage room, and private gates at the entrance of the estate. Spend the day relaxing or enjoy the NBA rated basketball court, game area with billiards table and air hockey, a deep well and sprinkler system, an awesome pool with built in chairs, and swim-up bar, private terraces, and details, details, and more details; a perfect home which is able to satisfy even the most demanding expectations. This is the only property of its kind in all the
