Descripción: Literally next door to Minitas Beach, this spectacular 1.5-acre property is the epitome of walking distance to the beach. Designed by renowned Dominican architects, this Caribbean villa elevates tropical living to the highest and most luxurious levels. Located between the 14th hole of the LRCC and Minitas Beach, and completely enclosed by lush vegetation and coralina stone to ensure maximum privacy, this tropical estate has enough room to fill your imagination yet let you live to your limits. Featuring 5 bedrooms all on one level

and a spectacular pool deck surrounded by captivating open air terraces, LM has the most fantastic private garden you can imagine. Other features include high quality mahogany woodwork, a contemporary Italian designed kitchen, a large garage and some of the most majestic trees and landscaping which mesh perfectly into your private Casa de Campo Beach and Golf Lifestyle.
